The Kajima Community Leisure Supervisors

Left to right : Ashley, Hannah, Mitch, Josh, Vince & Jamie. Far left Sam Bell and Gary Lees

The Kajima Community team are on hand every day to make sure all customer needs are catered for. They also ensure that the facilities are ready for the students to use without disruption the next day.

Sam is responsible overall for the community activities and Gary manages the Leisure Supervisors and customer's requirements during the evening.

Their duties throughout the evening are to man the reception desk, set up the necessary equipment for the different activities and generally make sure the customers are happy!

Activities are wide ranging and include ante natal classes, weddings, conferences, theatrical performances, sports coaching, plumbing courses, yoga sessions and many different sports for all for the community to get involved in (see page 4).

If you are interested in taking part in the activities advertised please either ring the appropriate number or come down and pay us a visit.

Spotlight on..... Stagecoach Northampton

An insight into one of the
Activities Listed on our Spring Programme

Stagecoach has been established in Northampton since 1989 and we create a fun, exciting environment that enables students to reach their full artistic potential whilst learning!

The organisation has been fortunate enough to work with "Think Floyd", Derrigate, MK "Raw" festival, Live At Her Majesty's, London (2003,2008), Peter Karrie and Friends, The Willows, Corby and many more individual students have been placed in television, film and commercials. Currently weekly classes are being held in the theatre arts of Drama, Dance and Singing for 4 - 6 year olds and 7 - 17 year olds on a Friday and Saturday at

Caroline

Chisholm School. In addition we have weekly ballet, dance troupe, choir and extension drama classes.

“..we pride ourselves on our “outstanding” school inspection results”

We enroll every January, April and September but prospective students and their families are encour-

At Stagecoach Northampton we pride ourselves on our "outstanding" school inspection results, and we take pride in the excellent, state of the art facilities available to us at Caroline Chisholm School.

For information on our classes or Summer activities please contact the Principal, Andrew Clingo, on 01778 345880 or visit us online at www.stagecoach.co.uk/northampton.

Everyone knows learning must be serious and difficult and you must remain seated at all times. No fun allowed.

**Adult Learning
Want to Learn Something Different?**

Kajima Fund Table Tennis Initiative

Kajima have agreed to donate £3000.00 to fund a joint school and community initiative to introduce table tennis to both the students and for community use.

From this contribution, Caroline Chisholm School have purchased four competition quality table tennis tables (including one for wheelchair users). This equipment will also be available for members of the local community to hire out during evenings and weekends.

Kajima Community are very much involved with this project and have managed to contact the Table Tennis Association who have agreed to come along to the school and deliver some table tennis coaching to both the primary and secondary aged children during curriculum time.

Kajima Community are actively looking at promoting a community table tennis club for both adults and juniors.

Want to Play Table Tennis?

Table Tennis tables are now available to hire from £8.00 per hour during the evenings and weekends,
